HOMES FOR OUR TROOPS HOME
RECIPIENT

Dear Friends and Supporters,

As a Marine Corps combat veteran, an amputee and a proud Homes For Our Troops home recipient, I have experienced firsthand the life-changing impact that accessibility, stability and independence can have on a veteran's recovery and quality of life.

The home that I received did far more than provide a place to live — it restored freedom, renewed confidence and created opportunities that once seemed out of reach.

Karts for Courage Pro-Am was created to bring our community together for an unforgettable day of racing while giving back to the organization that has transformed the lives of so many injured veterans and their families.

Your partnership helps turn gratitude into action. Every sponsorship, every participant and every supporter plays a role in helping Homes For Our Troops continue its mission:

Building Homes. Rebuilding Lives.

Thank you for considering sponsorship and for standing alongside our nation's veterans. Together, we can honor their service, support their recovery and help build brighter futures for those who have sacrificed so much.
